STEVEN C. MAJEWSKI

TV/Video Production Engineer, Web Development Student and Practitioner
Schenectady, NY | majewskis@nyassembly.gov | smajewski.com

A reliable, motivated and determined 12+ year staff member of the New York State Assembly Majority Radio/TV department, who has aspirations of becoming a Web Developer for the Assembly.

WORK HISTORY

NEW YORK STATE ASSEMBLY MAJORITY RADIO/TV AUDIO VISUAL | 2013 – Present
Production Engineer | 2021-Present

- Maintain TV traffic for the Legislative and Assembly channels, perform master control tasks including the routing of video signals and the recording & archiving of legislative proceedings.
- Install, maintain and diagnose & repair audio and video equipment as needed.
- Assisted in implementing new systems and training coworkers.
- Devised a custom control room set-up for committee meetings using our field gear in order to expand our simultaneous event broadcasting/streaming capabilities.

Technician/Videographer | 2013-2021

- Operated TV control room equipment including video switchers, graphics generators, audio boards, lighting equipment, camera controllers and windows based computer systems.
- Produced legislative hearings in the field consisting of tasks like communicating with venues to ensure streaming and in-house audio capabilities are met, traveling(sometimes overnight), transporting, setting up and breaking down equipment.
- Shot numerous press conferences, special events and stand-up clips with Members around the Capitol including editing, distributing and archiving the footage.
- Participated in a multi-year project to digitize all legislative proceedings that were archived on physical media, in order for them to be preserved on our website, which now goes back to 2005.

ACCOMPLISHMENTS

- Produced over 80 public hearings around New York State, including the first field hearing involving Zoom participants, at Hunter College in NYC.
- Was the Technical Director for many legislative proceedings, including the 2020 Electoral College Proceeding held in the Assembly Chamber.
- Has built an excellent rapport with members and staff.
